

What can I do to make this a successful weekend?

- ♥ Bring an interesting trivia question & answer about your town for our Montana trivia game. Discuss with your child how unique your area of Montana is so they can share this knowledge.
- ♥ Bring your GPS tool if you have one.
- ♥ Take the time to explain to your child that this weekend will be slightly different from the Family Learning Weekend. This weekend will be focusing on them—who they are and the many things that are capable of if they put their mind to it .
- ♥ Be ready to join in activities , lend a smile, a wink, let your personality shine through and you'll be a great example for our children.

Enrichment Weekend October 15 & 16, 2010 MSDB Campus

The enrichment weekend is designed to give deaf & hard of hearing students opportunities to learn and experience activities with their peers. The focus of this weekend will be "Who am I?" and activities will be implemented to build confidence and a sense of responsibility in each student. All students of school age are welcome—the activities will be modified according to the child's age and ability. Parents will be encouraged to participate in some activities while giving their children freedom in others.
